BENEFITS

01

CONTENT

You will get great and unique content from one of the most beautiful and clean countries in the world. Everything is arranged for you and get to see things and meet people you would not have met if you went by yourself.

02

NEWS VALUE

We represent a new sport that will grow fast from this year and you will be introduced to it in the very beginning. It is genuine transparent brand where you will meet the founders and can get answers for all your questions directly. Since it is a new sport, it will have a news value for your followers. It is a real sport and it will be the 3rd winter sport. There are national races and world championship races named snowcross.

03

GLOBAL

Tomsen is global from since the start of company 1 year ago, which means you will be able to connect with many other influencers from around the world by attending this event. You make connections that will be valuable for you for future adventures.

04

AFFILIATE

Teamwork is very important for us, and we know our product gives a new sport and a lot of joy for people. You will see that we are a company that really cares about our product and our customers and for that reason we are confident that you would want to strongly recommend our product to your followers. We have a generous affiliate program as we believe in working with influencers with genuine followers will give results for everyone.

WHAT WE EXPECT FROM YOU

01

02

03

Follow our Credo`s The ten Tomsen principles.

Number 1 is most crucial.
NO ASSHOLES
We do not work with anyone
who thinks or demonstrates that
they are better than others. The
same applies for lying, cheating,
disrespect, and arrogance.

Spread news

Help us share the wonderful
sport of snowskating.

Have fun

Try our product with us and give
an honest review.
